Chapter 6
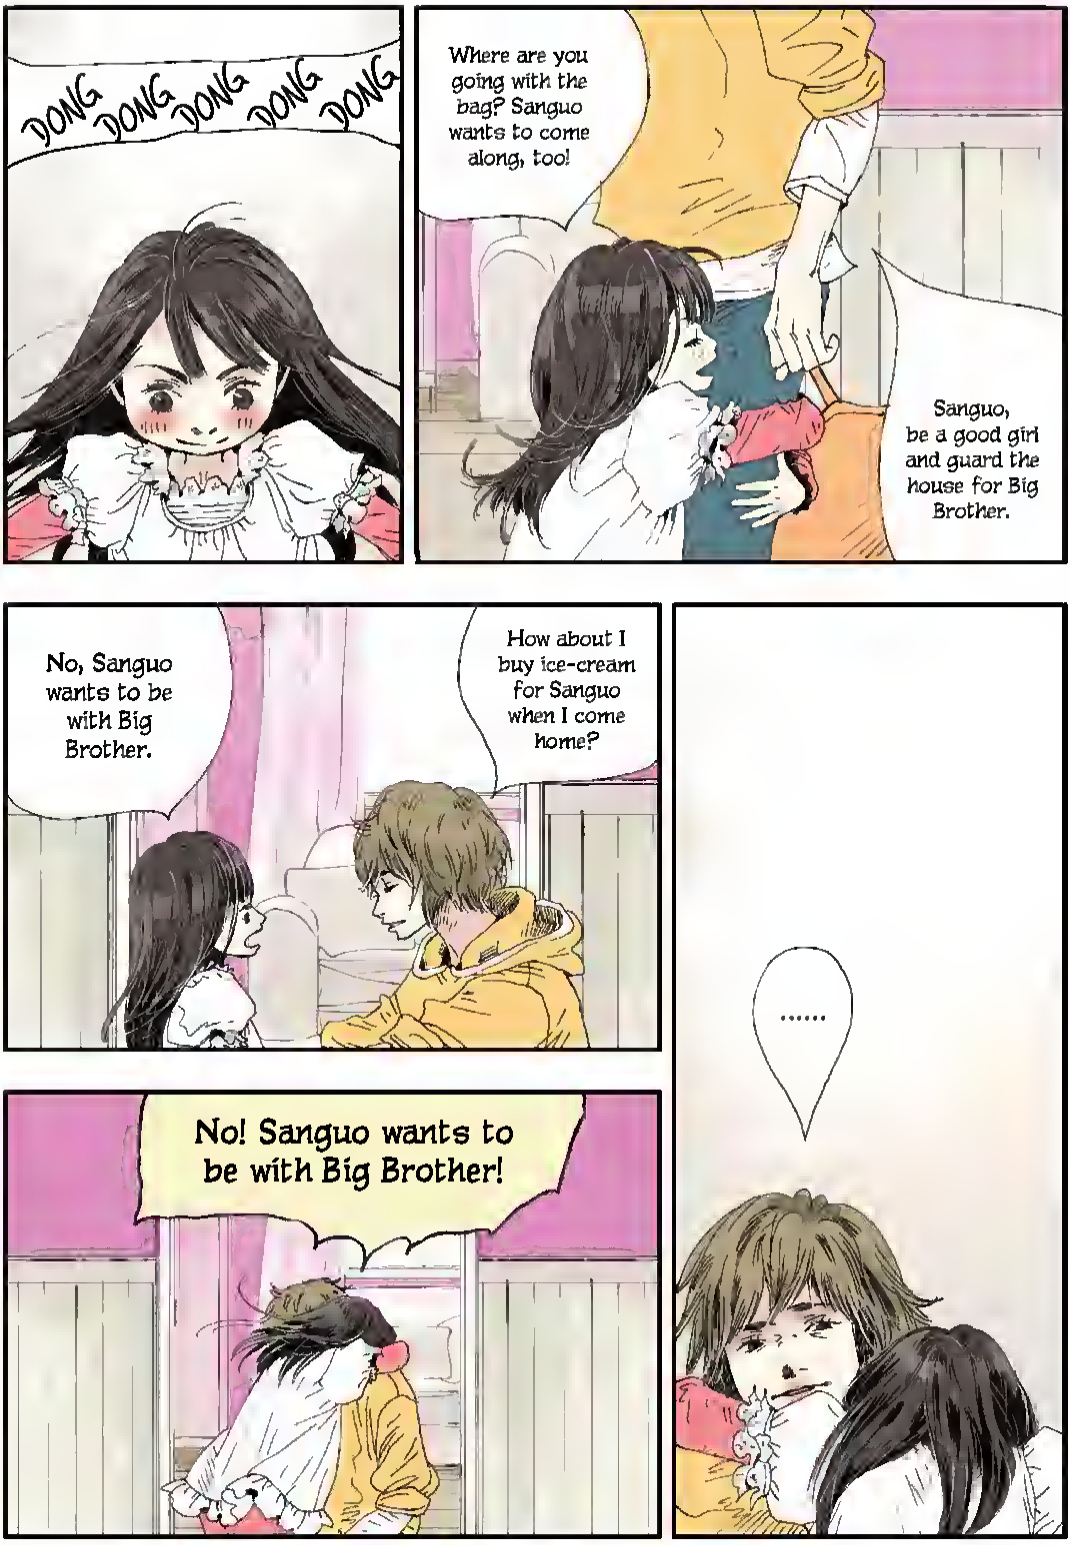
The Little Sister Who
Got Abandoned

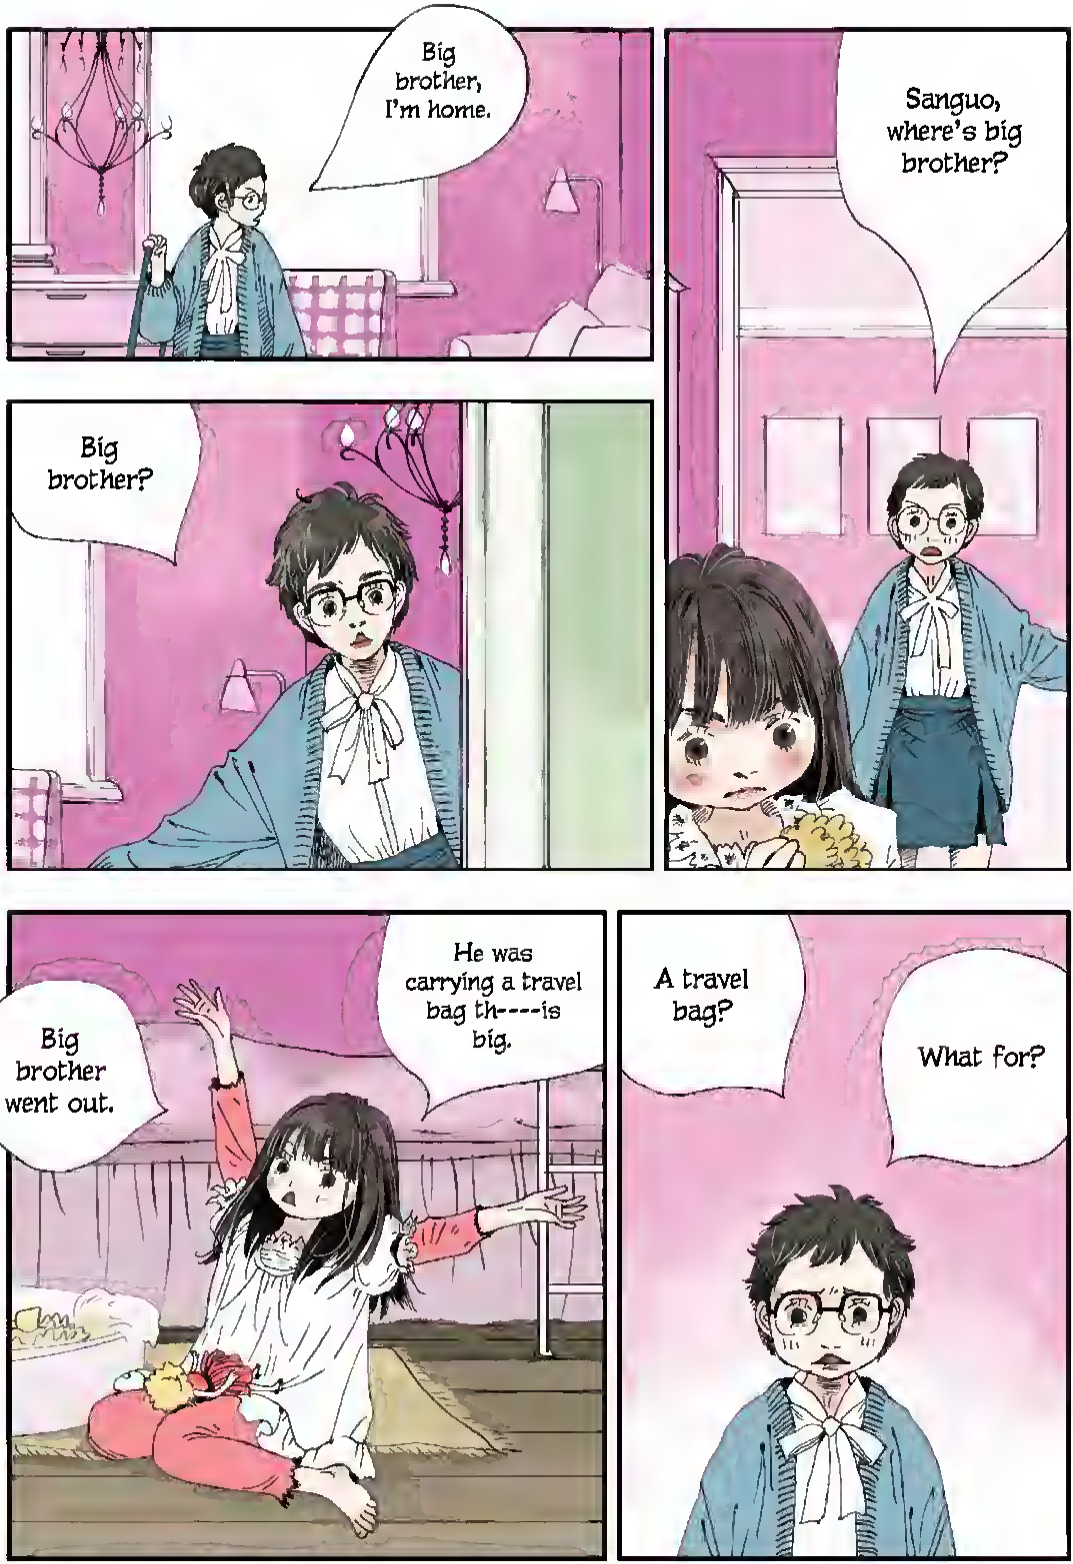
Big Brother! Where are you?
Found ya!
Come play games with Sanguo!



DONG DONG DONG DONG DONG
Where are you going with the bag? Sanguo wants to come along, too!
Sanguo, be a good girl and guard the house for Big Brother.
No, Sanguo wants to be with Big Brother.
How about I buy ice-cream for Sanguo when I come home?
No! Sanguo wants to be with Big Brother!
.....

Big Brother?

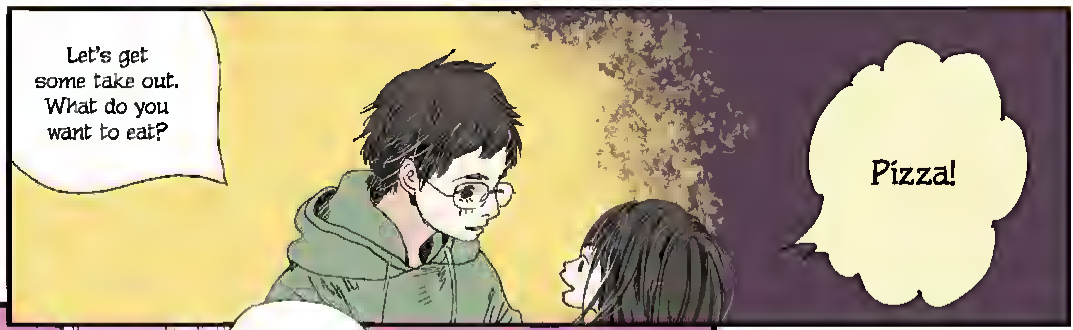
Big brother, wait for me!
Big brother!
Big brother!



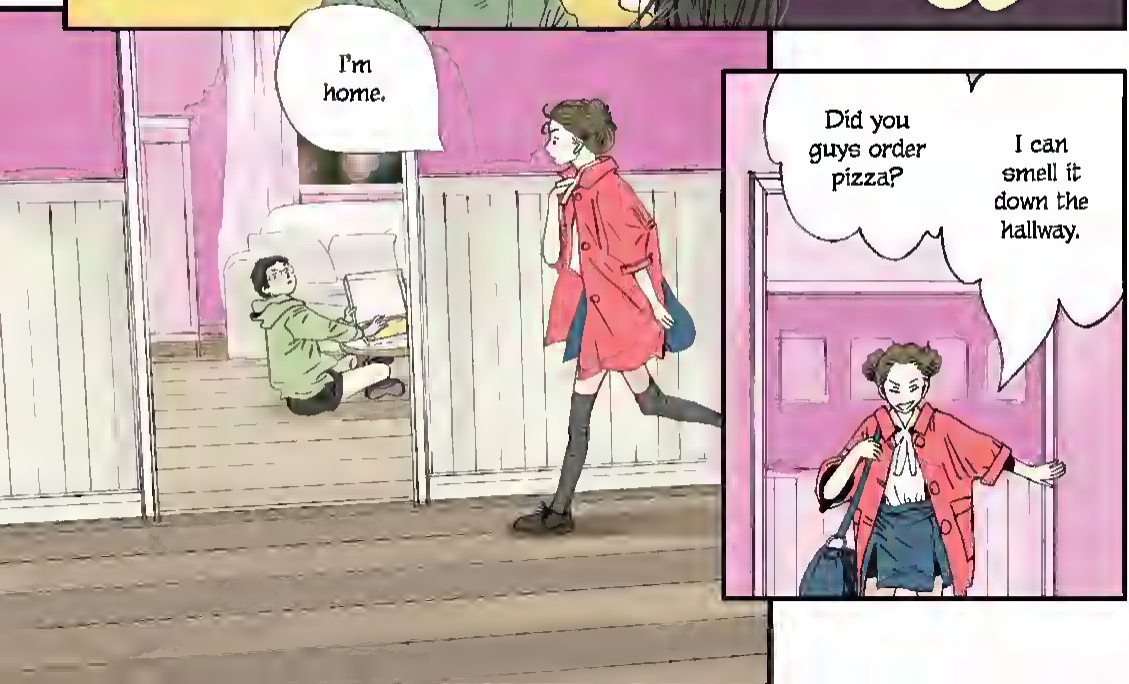
Big brother, I'm home.
Sanguo, where's big brother?
Big brother?
Big brother went out.
He was carrying a travel bag th----is big.
A travel bag?
What for?

I dunno.
He didn't say.
He didn't bring me along. Dummy.
Sis, I'm hungry.
Ah, it's already this late.
Let's call Big Brother.

The number you are calling is unavailable...
.....

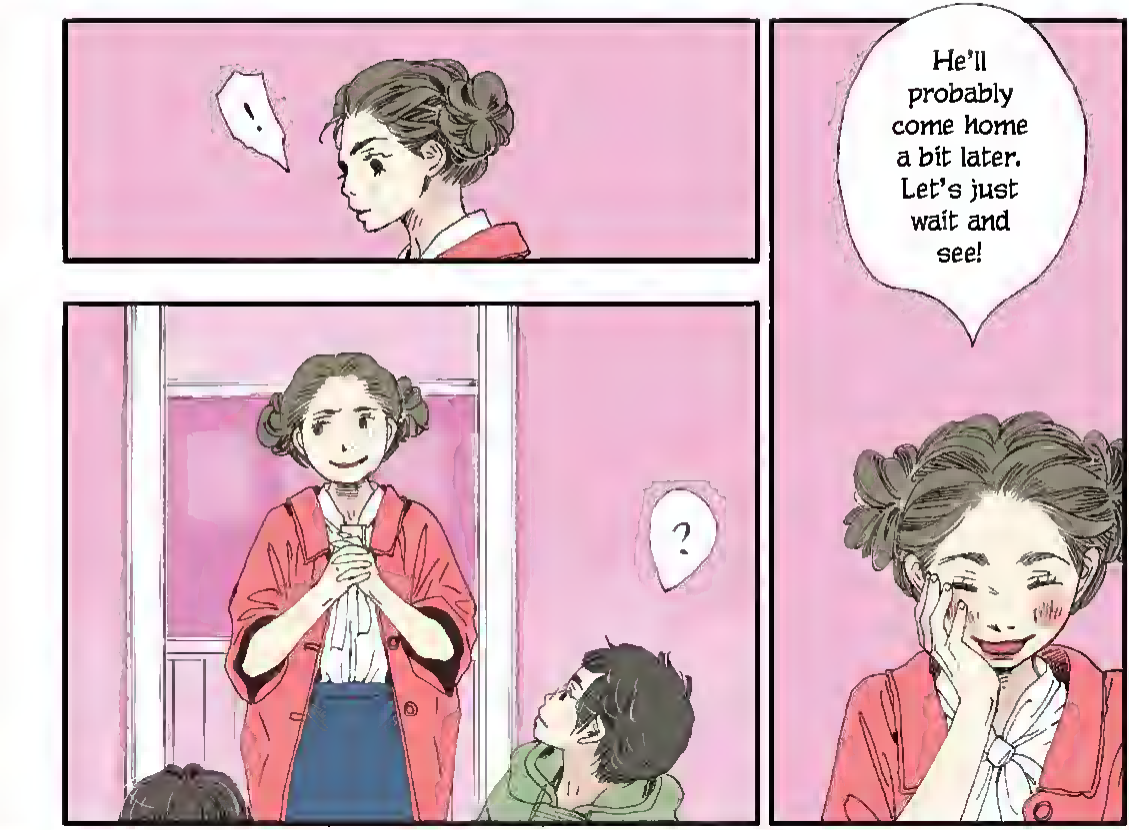


Let's get some take out. What do you want to eat?
Pizza!



I'm home.
Did you guys order pizza?
I can smell it down the hallway.

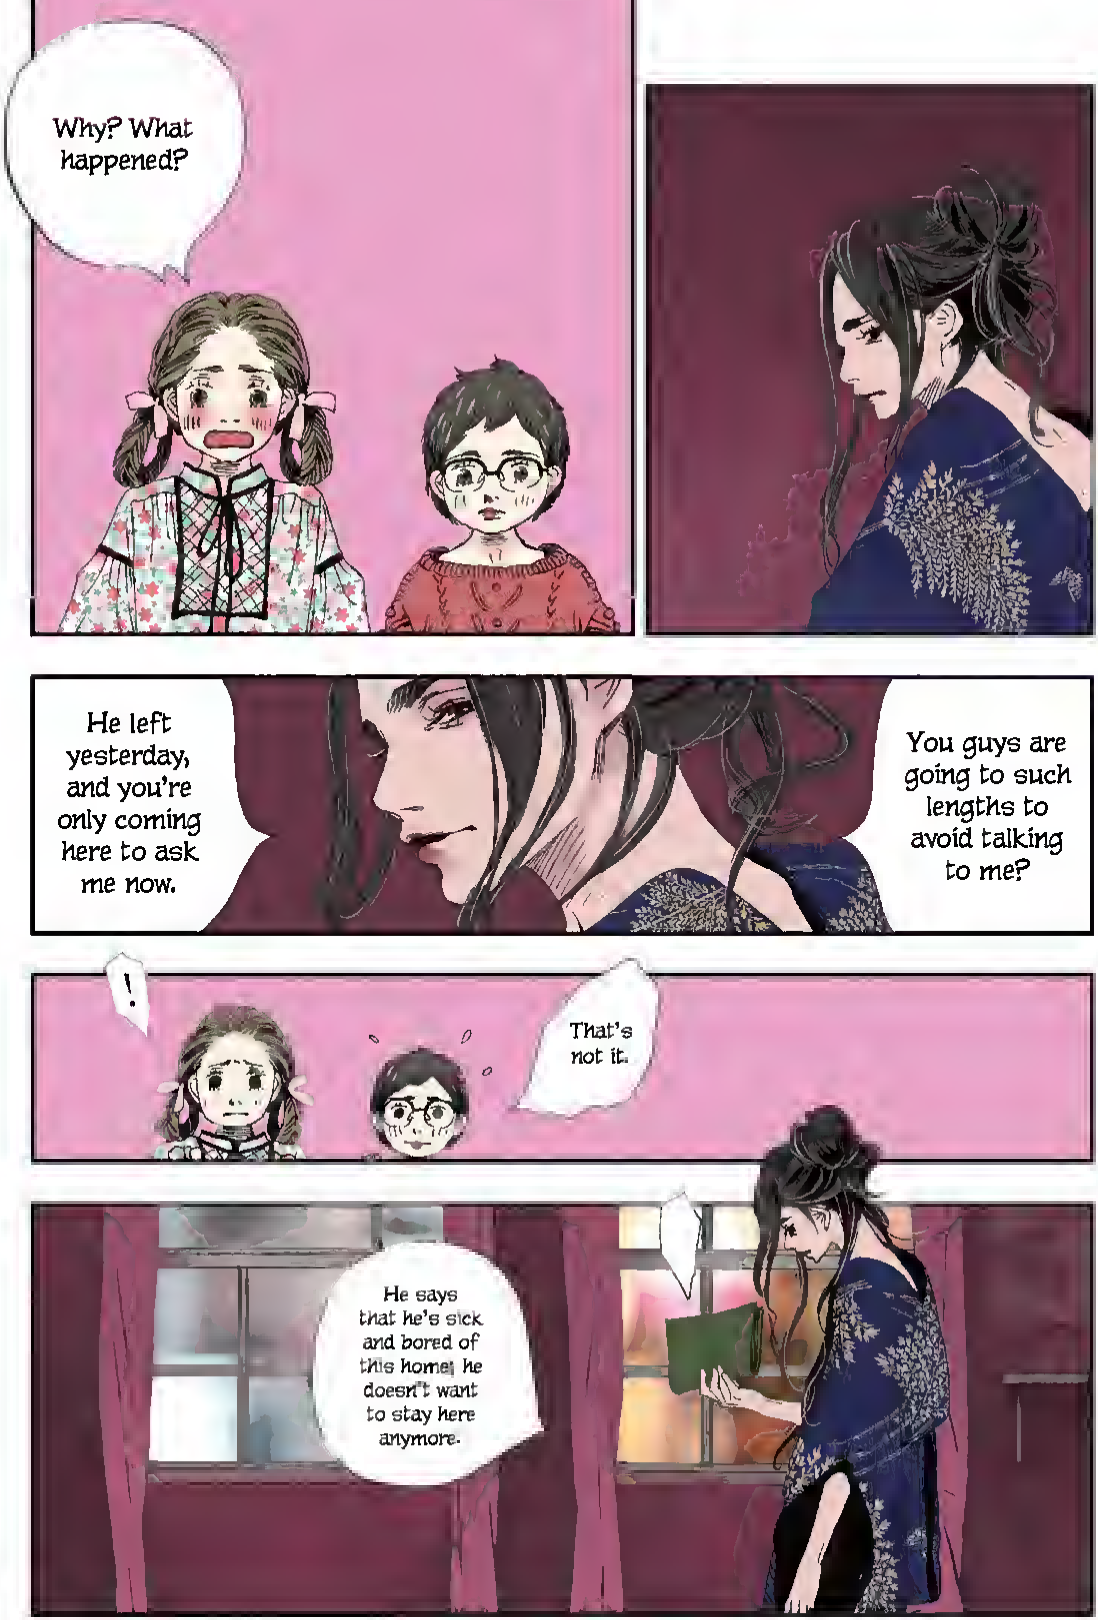
Where's Zhizhi?
Not sure. He went out, but I couldn't get through to his cell.
I'll try calling.
The number you are calling is unavailable...
Weird. He never goes out at night.
Try asking mother?



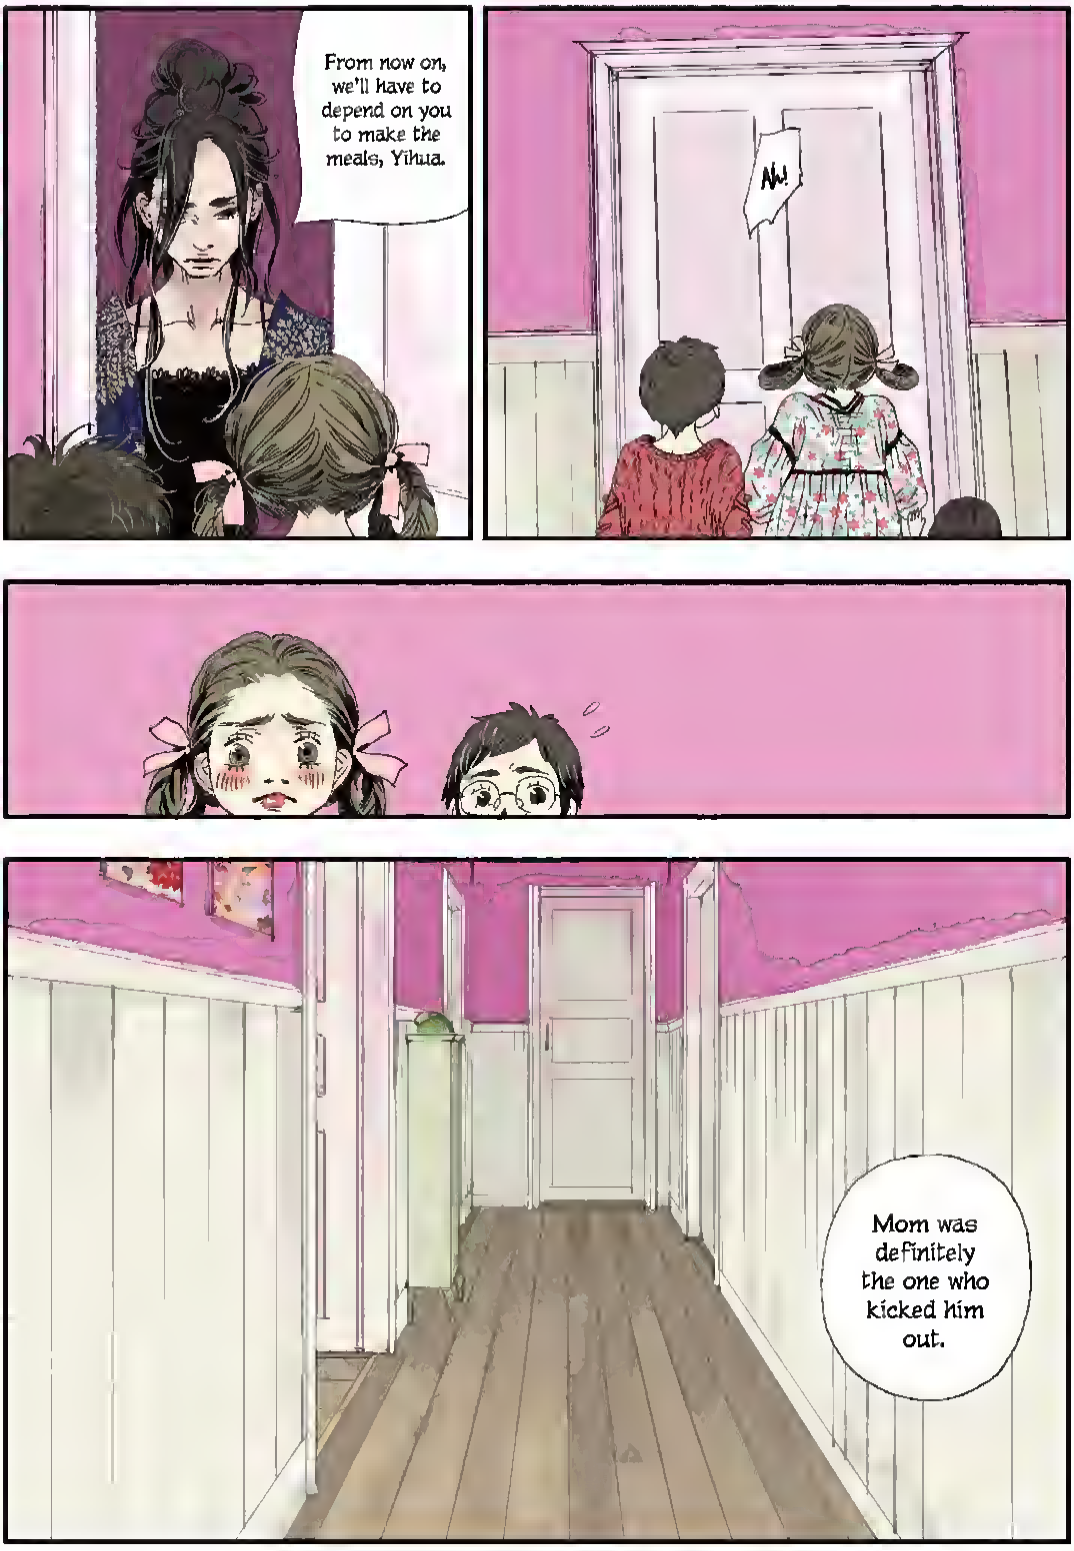
!
He'll probably come home a bit later. Let's just wait and see!
?

Big Brother didn't come home last night.
What should we do, Big Sister?

Let's go ask mother.
That boy.
He won't come back anymore.



Why? What happened?
He left yesterday, and you're only coming here to ask me now.
You guys are going to such lengths to avoid talking to me?
!
That's not it.
He says that he's sick and bored of this home; he doesn't want to stay here anymore.



From now on, we'll have to depend on you to make the meals, Yihua.
Ah!
Mom was definitely the one who kicked him out.

It's weird how she was the one who asked him to come right from the start!
He's someone who Father and another woman... From Mother's point of view, she should be avoiding him, right?
The one who feels sick and bored is herself. She's gone too far.
Mother is quite capricious, but she'd never lie...
She said that Zhizhi is sick and bored of us! Would you believe that?
.....
Sometimes, other people are not quite how we imagine them to be...
Zhizhi is not like other people!

That's not what I mean...
How can you be suspicious of Zhizhi? Has he ever mistreated you?
Don't you have any conscience?
.....
.....

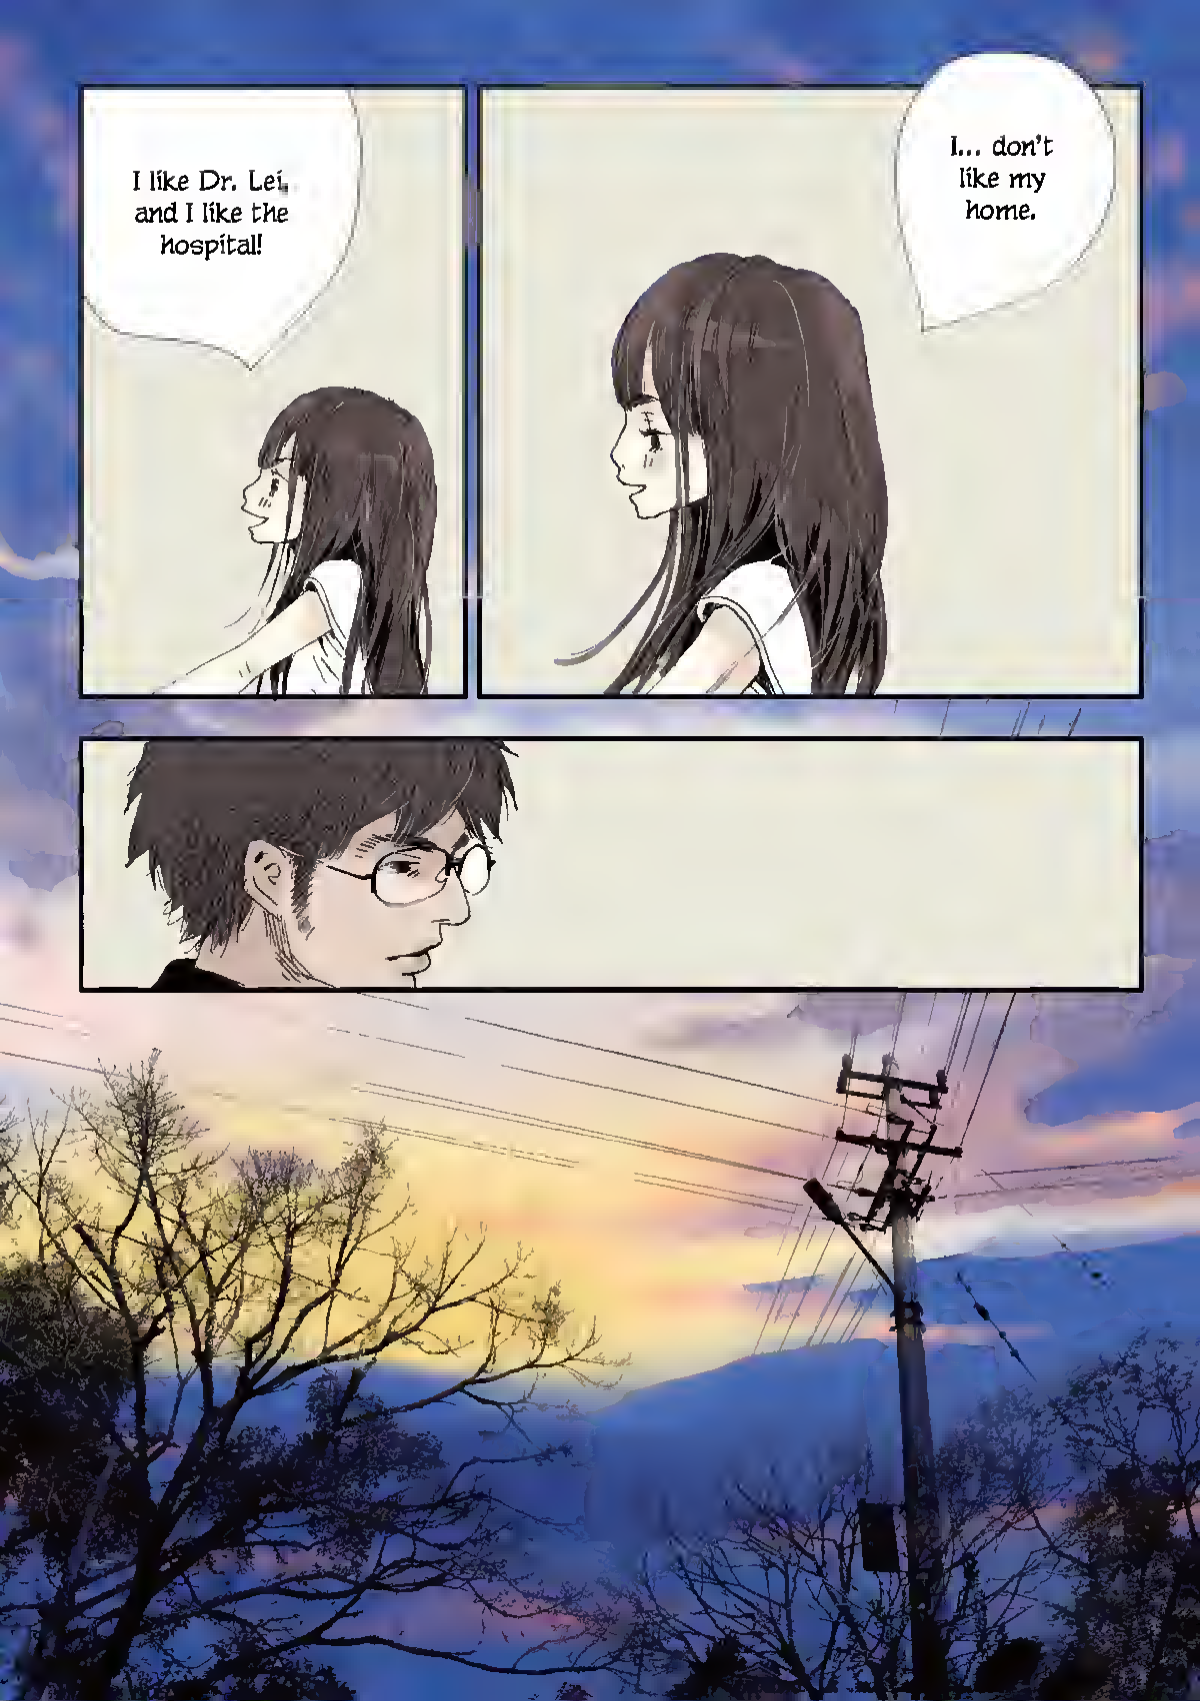
Refusing to eat?
Mm. Keeps making a fuss about wanting to eat Big Brother's homemade meals.
Doctor, as you already know, that child is very close to Zhizhi. I really don't know what to do.
.....
How about this- I'll prescribe some nutritional supplements for you, and you can mix them in with snacks for her to eat.
It's a good thing she's still young. She'll return to her cheerful self after a while.
Mm...
Sanguo, your sister's left. She'll come back in the afternoon.

Mm.
DONG DONG DONG DONG DONG DONG DONG DONG DONG DONG DONG DONG

!
Dr. Lei!
I've caught a cold!
Looks like I have a fever, too!
Ahhh, I feel so awful!
I'm gonna die!

I don't think I'll make it...
Let's find a nurse to dry you off first.
Mm!
37.2 degrees.
No fever or other symptoms.
Isn't that great- you're not sick after all.
.....

.....
Then, let's have you stay one night under observation.
I'll give your mother a call and let her know.
Yay!
Don't flail around. Be careful or you'll get burned.
Next time, you're definitely not allowed to drench yourself in the rain on purpose, you hear me?
Getting sick is not a joke!
If you really got sick, it's not a simple matter of poking a needle to your butt.
Maybe you'll need to have your blood drawn- a big pint of it, every day.
I'm not scared!



I like Dr. Lei, and I like the hospital!
I... don't like my home.
